About Me

25 years of self-development.
7 years of soul discovery.

I have always been curious as to how our artistic endeavours illustrate an honest picture of the world and our humanity. After achieving a degree in Philosophy with Law, I continued my journey through the art world by creating a unique business which reinforces creative intelligence through various story-telling and artistic mediums. I continue to execute my skills in marketing and business development across Architecture & Interior Design.

ART & DESIGN

Sabrina develops her art through people's experiences, inspired surroundings and her philosophical outlook on the world.

She had selected pieces exhibited at The Royal Society of British Artists in The Mall, London, for The National Students Art Exhibition 2016 and the Bank of Cyprus UK from 2015-2018.

She continues her journey by expanding into multi-media, ranging from directing live performance art to dark, soulful oil paintings. She is currently working on her first unique immersive exhibition experience.

WHY I DO

Art

Demonstrates our **humanity** and understanding of the world through the soul.

Unites people in ways institutions do not.

Bestows **our voices** in ways social constructs do not.

Its **power** is underestimated.

The background of the image is a dark, almost black, space filled with wispy, translucent white smoke. The smoke is highly detailed, with many thin, winding lines that create a sense of depth and movement, resembling a nebula or a cloud of incense. It is more concentrated on the left side and more diffused on the right.

PRESENTS

Re-Birth

A PROGRESSIVE ART SHOW INSPIRED BY
HUMANITY'S COMPLEXED RELATIONSHIP
WITH THEIR SOULS.

SOULS FOR SALE

A working progress collection inspired by humanity's complexed relationship with their souls. Each painting features a poem extract to tell its story. Humanity "sells" their soul to this advanced new world and hide behind its beautiful façade. I am here to uncover what lies underneath.

Ghosts of our past

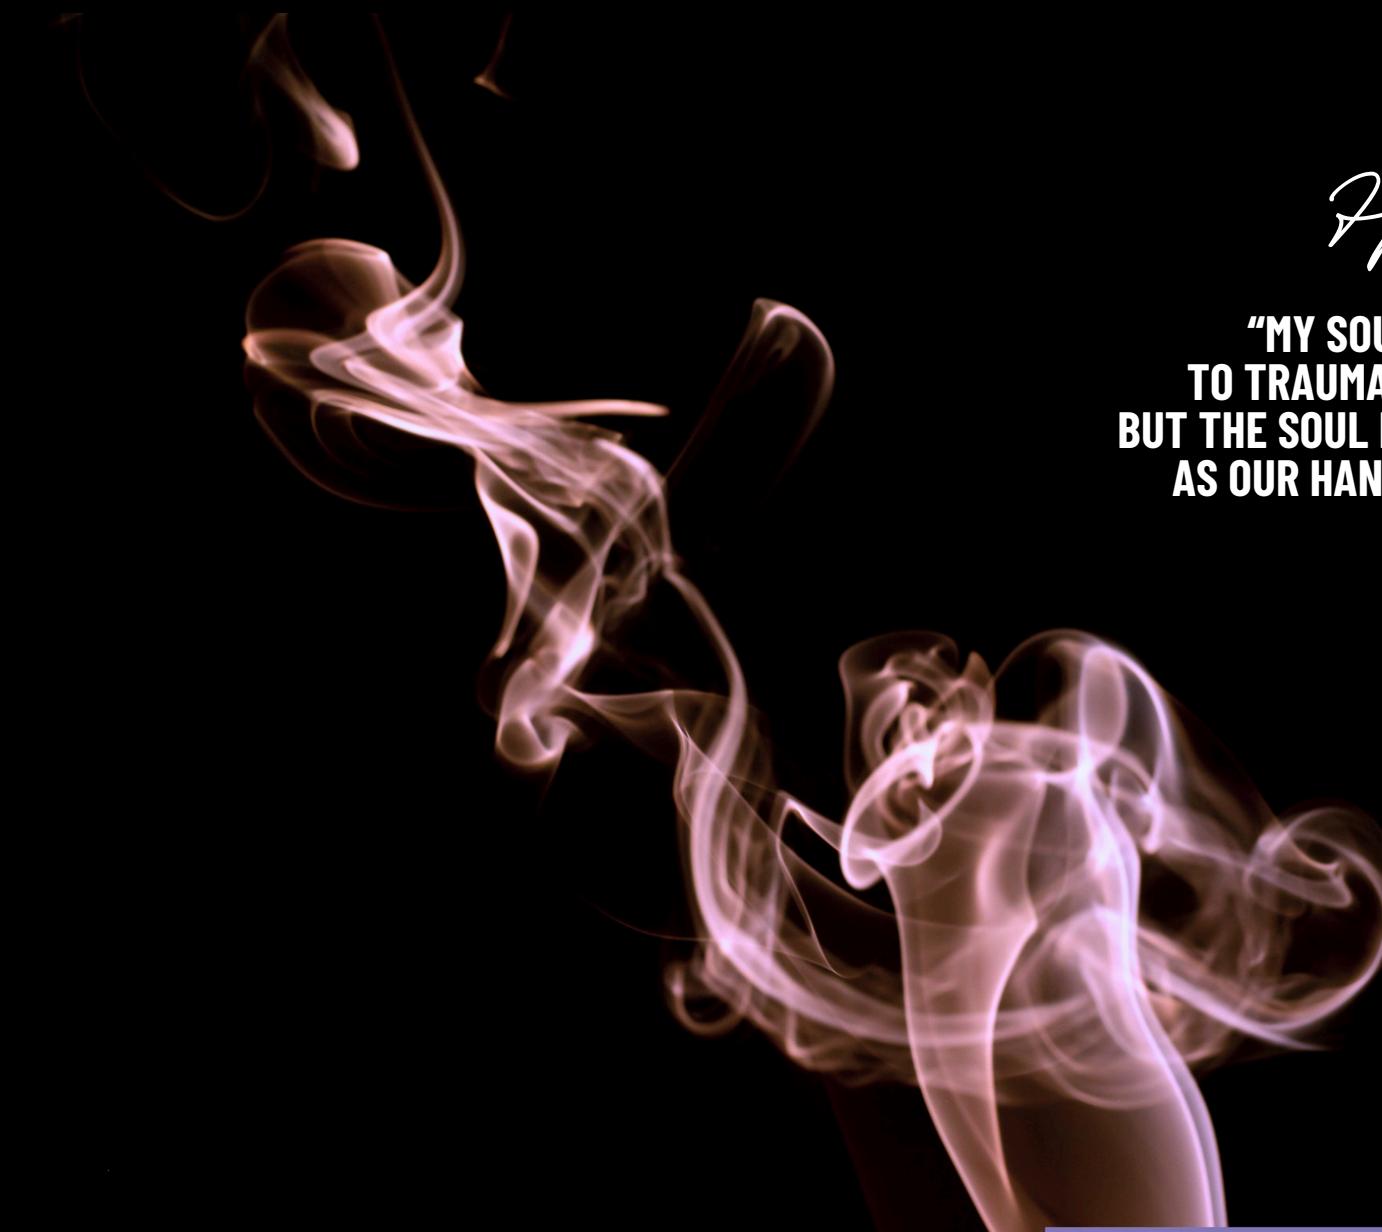

**"MY SOUL IS ON FIRE
SO I BURN AWAY THE PAIN
BUT THE SOUL STAYS IN TACT
AND THE GHOSTS OF THE PAST REMAIN"**

THE NARRATIVE

Hold

**"MY SOUL HOLDS ON
TO TRAUMAS AND THE LIES
BUT THE SOUL LEARNS ITS LESSON
AS OUR HANDS ARE UNTIED"**

A red rose is centered in the image, partially obscured by swirling purple smoke against a black background. The rose is in sharp focus, while the smoke creates a dreamlike, ethereal atmosphere.

**"DEATH IS INEVITABLE BUT
RE-BIRTH IS NECESSARY"**

- SABRINA ZANELLI

The background of the image is a dark, black space. Overlaid on it are wisps of smoke or fire, rendered in shades of red, orange, and yellow. The smoke is more concentrated on the right side of the frame, creating a sense of movement and intensity.

THE NARRATIVE

Rejection

**"MY SOUL IS REJECTED
SO MY STANDARDS ARE HIGH
BUT THE SMOKE CLOUDS MY JUDGEMENT
AND MY SOUL BEGINS TO CRY"**

THE NARRATIVE

Truth

**"MY SOUL IS DARK
SO I LAUGH OFF THE INJUSTICE
BUT THE SOUL DECEIVES ME
SO I CAN'T SEE WHERE THE TRUST IS"**

Pure

**"MY SOUL IS PURE
UNKNOWN TO REAL TRAGEDY
YET MY ACTIONS ARE SINFUL
AND WON'T CHANGE WHAT'S INSIDE OF ME"**

TRAUMA NARRATIVE

Envy

**"MY SOUL IS ENVIOUS
OF ALL THE THINGS I COULD BECOME
JEALOUSY ATTEMPTS TO TAKE OVER,
ESPECIALLY NOT SOBER
BUT MY SOULS HAS ALREADY WON"**

Memento Mori

**"MY SOUL FEELS IMMORTAL
SO I FLEET MY WAY THROUGH REALITY
BUT MY FRAGILE NATURE GROUNDS ME
AS I AM REMINDED OF MY SANITY"**

ARBEIT STUDIOS

My Re-Birth exhibition at Arbeit Studios in March 2025, launching an exclusive set of prints from the 'Souls for Sale' collection of paintings, alongside older works introducing myself as an evolved artist and engaging the public to the dark souls brand, using interactive tags and personalised merchandise. Arbeit are a community who elevate emerging young artists and designers, giving them space to curate special moments.

NORTH LONDON ART GALLERY

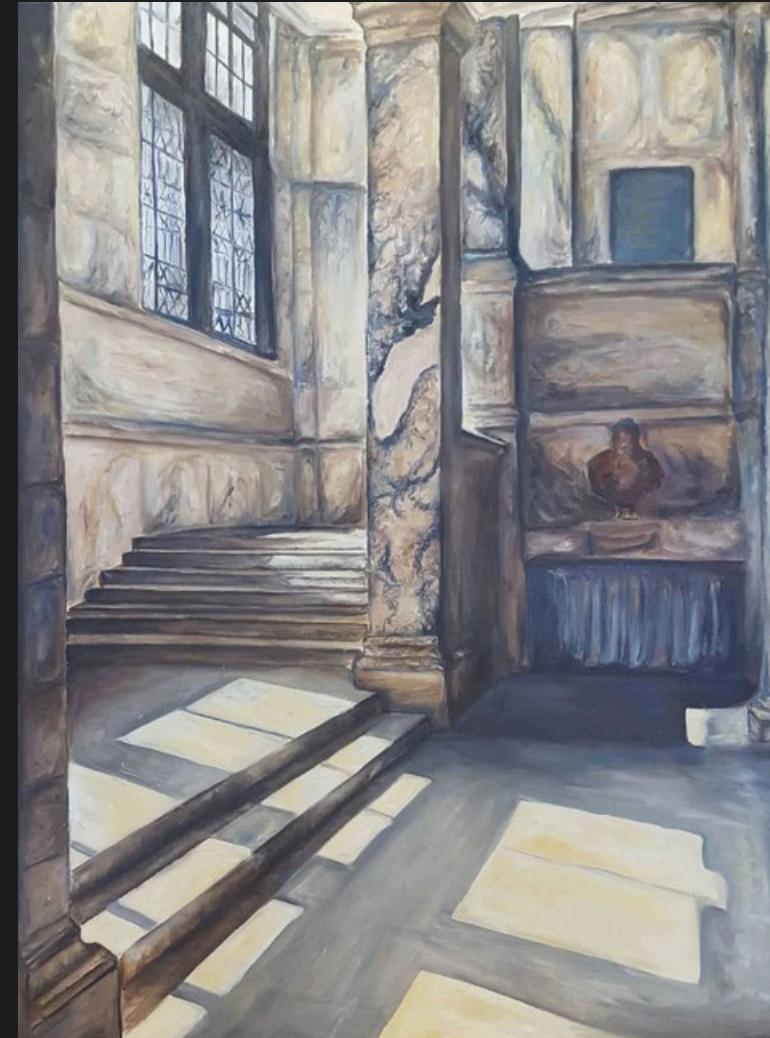

A special moment to showcase 'The Works' collection in my home town. Exhibited at The Southgate Club & Art Gallery in North London in January 2024.

The galleries community of volunteers were an amazing group of people who take on local artists and appreciate all art forms.

RBA, THE MALL LONDON 2016

Selected pieces at the National Students Art Exhibition at the Mall Gallery in London -
Royal Society of British Artists 2016.

WORLD WAR Z MUSICAL CHAIRS

Directed and choreographed a performance art installation in "flash mob" style. A political art installation of a "rigged" business world.

We begin our struggle with an inability to be our authentic selves in the work place. Featuring The Dancer, The Perfectionist, The Liberalist, The Conservative and The Boss, each character has a point to make and a part to play in a vicious cycle to fit in as a Young Gen Z in modern London.
